Sentiment Score

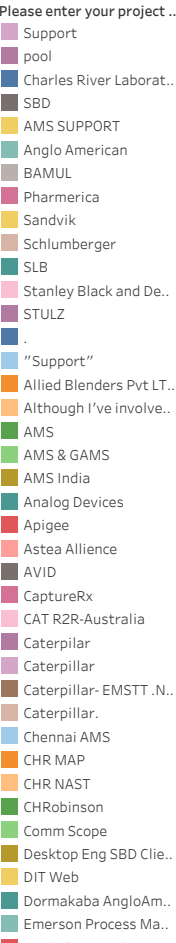

A horizontal bar chart showing a sentiment score. The bar is divided into two segments: a red segment on the left and a green segment on the right. The red segment extends from the left axis to a point labeled -0.572. The green segment extends from -0.572 to a point labeled 0.572. The total length of the bar represents the range from -0.572 to 0.572.

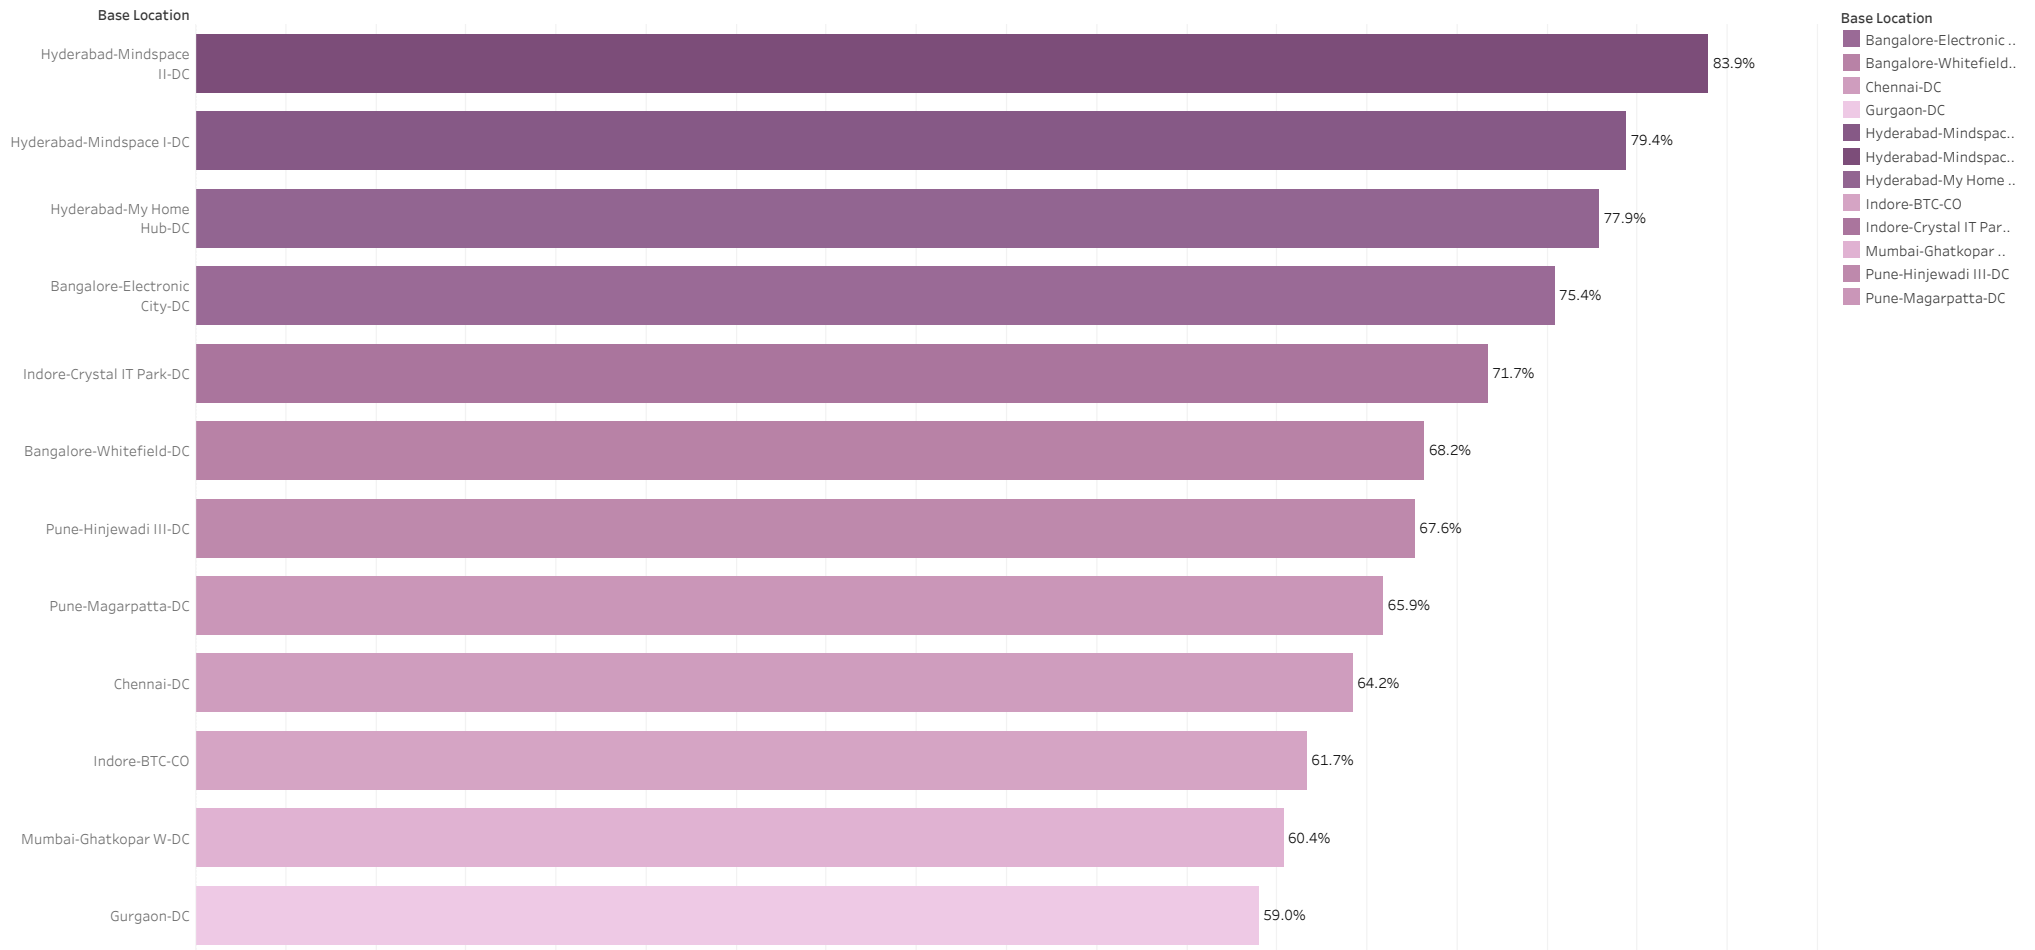

-0.572 0.572
